Hydro-Plumb PEX Fittings

Hydro-Plumb PEX barbed brass fittings are designed and approved for use with Hydro-Plumb, Hydro-Plumb Plus for hot and cold water applications. All barbed Hydro-Plumb PEX fitting attachments require the use of an additional crimp ring and crimping tool or cinch clamp and cinch clamp tool for fitting attachment. Crimp rings and cinch clamps are sold separately and not included with the fittings.

Listings and certifications: ASTM F-1807, NSF 14/61 (NSF-pw), CSA B137.5, IAPMO, UPC
