Hydro-Plumb PEX Lead-Free / DZR Insert Fittings

Hydro-Plumb PEX Lead-Free and DZR Barbed brass fittings are designed and approved for use with Hydro-Plumb Plus for hot and cold water applications. The Hydro-Plumb PEX lead-free fittings are in compliance with all state requiring lead-free fittings, while exceeding the United States safe Drinking Water Act. All barbed Hydro-Plumb PEX attachments require the use of an additional crimp ring and crimping tool or cinch clamp and cinch clamp tool for fitting attachment.

Listings and certifications: ASTM F-1807, NSF 14/61 (NSF-G), CSA B137.5, IAPMO, UPC
