

Hydro-Plumb Plus

Cross-linked Polyethylene tubing
& *Hydro-PEX* Fittings & Components

Limited Warranty

PRODUCT DESCRIPTION:

Hydro-Plumb Plus is premium cross-linked polyethylene tubing that together with the Hydro-PEX cinch clamp fitting system or copper ring fitting system provides the Hydro-Air Systems, Inc., Hydro-Plumb Plus PEX Tubing Plumbing System.

COVERAGE:

Hydro-Air Systems, Hydro-Plumb Plus cross-linked polyethylene tubing; subject to the conditions and limitations set forth within, for a period of 30 years, will when properly installed for use in potable water plumbing system, be free from failure caused by manufacturing defect. In addition to the Hydro-Air Systems Hydro-Plumb Plus Limited Warranty, warranty coverage is provided for a period of 2 years for brass fittings, 1 year for Hydro-PEX tools, and 2 years for all valves, manifolds, copper fittings and accessories sold by Hydro-Air Systems, Inc. Coverage is provided from the date of installation to Real Property Owners and their successors.

This warranty coverage will not apply: (1) if product is installed in other than accordance with good plumbing practices, applicable code requirements, and Hydro-Air Systems then applicable installation instructions (2) if product is damaged or abused in transport, storage, or installation (3) if product is used in applications other than those specified or in circumstances that exceed the limitations of use as set forth by Hydro-Air Systems or of the product itself (such as exposure to direct flame or exceeding the temperature limitations of the pipe, exposure to water pressure exceeding the pressure limitations of the product, exposure to unauthorized fluids, excessive U.V. exposure or failure to provide freeze protection).

In the event of a claim Hydro-Air Systems must be notified within 30 days of the date of incident. Upon verification of the claim, and at the option of Hydro-Air Systems, a refund, repair or replacement part will be provided. Allowances made for labor, repairs or other work are at the sole discretion of Hydro-Air Systems and must be authorized in advance. Costs incurred in travel, diagnostic procedures, temporary or replacement systems, operating costs, lost revenue or other inconsequential damages are not covered by this warranty. If performance of repairs is made prior to Hydro-Air Systems notification and subsequent written consent this warranty will be rendered invalid.

This warranty is in lieu of all other, expressed or implied, including but not limited to the implied warranties of merchantability and fitness for any particular purpose. The remedies set forth in this warranty shall be the sole and exclusive remedies available to any person. Hydro-Air Systems does not authorize any person or firm to create for it any obligation or liability in connection with its products.

This Limited Warranty provides specific legal rights. Some States do not allow the limitation or exclusion of damages so that actual rights may vary from State to State.

This warranty is effective February 1, 2008
